A. Pedestrian Master Plan in La Presa. Prioritization: Presenter: Lake. Lake asked everyone who went and looked at the proposed areas to prioritize them. Members of the Group gave their opinions. He requested that all members visit the sites and e-mail him. He will then compile a report and bring the results to the Group.

B. Community Plan for County General Plan 2020 with Staff Revisions. Lowes had questions about our last meeting with the County regarding the changes to our plan. We had discussions, answered questions, and came to a consensus on the changes. Lowes brought the map that was given to us at our last meeting, and went over the changes the County wants to make. She did a great job of preparing for the meeting, as she analyzed each change and brought photos of each property, making it much easier for us to visualize the change.

3. Committee Reports:

A. Chair Report: Vice Chairman Gibbons.

B. Pointe Project, Trails and Parks. Secretary Wilkinson. Secretary Wilkinson reported our bond money from the State earmarked for Parks will soon be released.

C. Code Compliance Assistance. Wilson. Nothing to report.

D. Transportation. Lake. The closure of the pathway on Greenview is moving towards closure, and the signs have been posted. The trees on Fairway Drive will be trimmed the week of May 11th.
